Blood Pressure Health

What is Kyolic® Formula 109?

Kyolic Formula 109 is a unique formula designed to support healthy blood pressure levels and overall heart health through

the most researched garlic product on the market with over 850 scientific articles supporting its benefits. Unlike other garlic products, Kyolic is odorless and non-irritating. Clinical

mental calmness and encourage relaxation. Unlike many sedatives, Suntheanine is not addictive and does not cause drowsiness or impair memory. Stress is a major risk factor for high blood pressure and heart disease — clinical studies have shown that Suntheanine can help promote healthy blood pressure levels by reducing stress.*

multiple pathways. This formula contains three proven ingredients: Kyolic Aged Garlic Extract™, Nattokinase (NSK-SD®) and Suntheanine®. This combination of special ingredients helps encourage relaxation and stress relief.*

What makes Kyolic 109 unique and how does it work?

Kyolic Formula 109 is the only product on the market which offers the unique combination of Kyolic Aged Garlic Extract along with Nattokinase (NSK-SD) and Suntheanine. Together, these ingredients provide a powerful, safe and natural approach for healthy blood pressure support.*

Kyolic Aged Garlic Extract is made from 100% organically grown garlic aged in a special extraction process to create compounds with many beneficial health properties. Kyolic Aged Garlic Extract is

studies have shown that Aged Garlic Extract can improve multiple risk factors associated with heart disease. Aged Garlic Extract helps improve elevated blood pressure, cholesterol and homocysteine levels; stimulate circulation; reduce oxidative stress; and support overall heart health.*

Nattokinase (NSK-SD) is a potent enzyme extracted and purified from a traditional Japanese food called Natto. Studies have shown that Nattokinase can help maintain healthy blood pressure levels as well as aid the body in cleaning and breaking up unhealthy coagulation in blood, thereby promoting healthy blood flow, circulation and blood vessel function.* NSK-SD brand of Nattokinase is Vitamin K free!

Suntheanine is a patented brand of L-theanine, an amino acid found naturally in green tea. Several clinical studies have shown that Suntheanine can reduce stress, promote

Who should take Kyolic 109?

Kyolic Formula 109 is an ideal product for those who want to lower elevated blood pressure levels, reduce stress and promote overall heart health.*

How do I take Kyolic 109?
