

GREATER THAN®

Hydration For Her

The Birth of a Goddess

In 2010, GREATER THAN emerged as the bold choice for elite athletes, a revolutionary coconut water-based hydration brand. But the universe had a different plan. Nursing mothers, the original life-givers, discovered our secret weapon, and with their wisdom, our purpose pivoted.

GREATER THAN transcends a single life stage to become a sanctuary for women at every turn—from the budding vitality of toddlerhood to the awakening of puberty, the sacred power of motherhood, and the grace of menopause. We have built a world, designed by women, for women, and we call it GODDESSLAND.

Trends Fade. Her Needs Endure.

The female hydration category—spanning this full lifecycle—has the potential to exceed \$10B annually (Statista, 2023). GREATER THAN is proud to lead the charge, fueling the greatness of women at every stage.

Her Wellness Is Worshipped.

An electrolyte elixir, empowered by the nutritional equivalent of three servings of fruits and vegetables, designed by women, for women.
