Everwell Health™
INGREDIENTS FOR LIFE

Everwell Health™

INGREDIENTS FOR LIFE

Everwell Health develops proven, one-of-a-kind ingredients that empower individuals to look, feel, and perform their best every day.

Look Better, Feel Better, Perform Better

Everwell Health's functional wellness ingredients make a tangible difference that can be seen and felt.

Our trusted brands deliver meaningful improvements to health, addressing consumers' priorities for today, tomorrow, and the future.

Science-Backed Legacy

Grounded in decades of scientific research, Everwell Health places efficacy and safety at the forefront. Guided by our science-first mindset, we continually invest in innovation and research to meet evolving health needs. This gives our branded ingredients a distinctive, credible position to consumers and delivers exceptional value to our brand partners.

More than 150 scientific publications support our portfolio of ingredients.

Partners in Success

We go beyond the role of suppliers, serving as trusted, reliable partners. Driven by your success, we leverage our comprehensive expertise in technology, science, marketing, and product formulation to support you beyond the sale and put more power behind your products.

A Legacy of Science, A Future of Wellness

Everwell Health is a forward-thinking industry leader, building a distinctive, science-backed portfolio of functional wellness ingredients for dietary supplements, foods, and beverages.

Through ongoing investment in research and a commitment to innovation, we develop one-of-a-kind ingredients that help individuals live their best life.

Functional Wellness Ingredients Backed by Science

Our expanding portfolio of ingredients is grounded in strong science, focused on efficacy and quality, delivering proven, meaningful benefits that consumers can see, feel, and experience.

celadrin

Chromax

DeltaGold™

EverZen™

Lustriva®

MyoVera™

Nitrosigine®

nooLVL®

VitaliG™

Zinmax®

100+ patents globally protect the extraordinary ingredients in our portfolio.

celadrin

FOR LIFE IN MOTION

Celadrin® is a unique combination of cetylated fatty acids that powers a triple-level cellular action to support key mechanisms contributing to joint comfort and movement.

JOINT HEALTH & MOBILITY

SKIN HEALTH

LEARN MORE

Science-Backed Benefits

- Maintains healthy joint function and mobility
- Promotes joint comfort
- Helps maintain joint function and flexibility in active individuals
- Promotes ease of movement (topical joint cream)
- Supports skin's healthy appearance (topical skin cream)

How it Works

The cetylated fatty acids in Celadrin® work in distinct ways to support joint and skin health, including affecting cell membrane fluidity, promoting a healthy inflammatory response, and supporting chondrocytes to promote healthy cartilage formation.

Application Opportunities

- Tablets
- Capsules
- Softgels
- Powders
- Topical Creams
- Facial Cosmetics

This product is not intended to diagnose, treat, cure, or prevent any disease.

LEARN MORE

How it Works

The chromium in Chromax promotes healthy insulin function to support healthy carbohydrate metabolism. Chromax is a highly researched form of chromium that works by supporting the actions of insulin, a key hormone involved in the normal regulation of blood sugar and supporting normal metabolic function.

Chromax®

Lose the Fat, Not the Muscle

Chromax® chromium picolinate promotes healthy insulin function, supporting the body's ability to metabolize carbohydrates and maintain healthy glucose levels.

- **WEIGHT MANAGEMENT**
- **HEALTHY BLOOD SUGAR BALANCE**
- **METABOLIC HEALTH**

Science-Backed Benefits

- Helps maintain lean muscle mass during weight loss*
- Can help promote healthy body composition*
- Helps manage carbohydrate cravings and appetite
- Supports healthy carbohydrate metabolism
- Promotes healthy insulin function

*As part of a healthy diet and exercise routine

Application Opportunities

Tablets | Capsules | Powders | Beverages | Bars and Snacks | Gummies and Gels

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

DeltaGold™

DeltaGold® is a premium, plant-based tocotrienol from annatto, and the only ingredient rich in delta- and gamma-tocotrienols, known for supporting heart, metabolic, and bone health.

- **CARDIOVASCULAR HEALTH**
- **METABOLIC HEALTH**
- **BONE HEALTH**

LEARN MORE

How it Works

DeltaGold® tocotrienols have powerful free radical scavenging and inflammation modulating effects.

Science-Backed Benefits

- Supports cardiovascular health
- Supports healthy metabolic function and liver health
- Supports healthy inflammatory response
- Supports healthy bone turnover

Application Opportunities

Tablets | Capsules | Powders | Gummies | Softgels | Liquids

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

EverZen™

Ease Your Mind, Lift Your Mood

EverZen™ is a premium, plant-based ingredient that provides a fresh and differentiated approach to mood and stress, helping to ease the mind and achieve mental balance.

MOOD SUPPORT

STRESS MANAGEMENT

LEARN MORE

How it Works

Scientific studies show that EverZen™ may work by helping promote the ability of the brain to produce and maintain key neurochemicals, including serotonin, GABA, and melatonin, important to the mood and stress response.

Science-Backed Benefits

- Promotes a positive mood
- Supports a healthy stress response
- Helps promote relaxation and reduces feelings of occasional anxiety
- Supports mental and emotional well-being
- Eases the mind and balances stress

Application Opportunities

Tablets | Capsules | Powders | Gummies | Liquids

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

Lustriva®

For Lustrous Hair and Skin

Lustriva® is a patented blend of Bonded Arginine Silicate and Magnesium Biotinate that work together to promote healthy hair and skin.

HAIR HEALTH

SKIN HEALTH

LEARN MORE

Science-Backed Benefits

- Promotes existing hair growth
- Supports fuller, thicker looking hair
- Reduces the appearance of fine lines and facial wrinkles
- Contains bioavailable biotin and silicon

How it Works

Lustriva® helps support the health of hair follicles and the growth of hair by supporting cellular signals critical to hair growth. The unique forms of silicon and biotin delivered by Lustriva® also play a role in regulating enzymes involved in the formation and preservation of proteins important to skin's integrity and function.

Application Opportunities

- Tablets
- Capsules
- Powders
- RTD Beverages
- Bars
- Gummies and Gels

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

MyoVera™

REVEAL YOUR TRUE STRENGTH

MyoVera™ is a patented muscle and strength optimizer that boosts protein utilization to support muscle growth, improve strength, and help individuals stay active.

- **MUSCLE HEALTH**
- **HEALTHY AGING**
- **PHYSICAL PERFORMANCE**

LEARN MORE

How it Works

MyoVera™ contains a one-of-a-kind combination of two powerful forms of chromium, which work in concert to support healthy insulin activity, helping muscle cells take in amino acids, the essential building blocks of protein.

Science-Backed Benefits*

- Helps gain and maintain muscle
- Supports smarter protein utilization
- Promotes muscle strength, power, and endurance

*When used in combination with exercise and a protein-containing diet

Application Opportunities

- RTM Powders
- RTD Beverages
- Bars and Snacks

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

Nitrosigine®

The Superior Nitric Oxide Booster

Nitrosigine® is a patented Bonded Arginine Silicate complex that boosts nitric oxide and helps support healthy aging across key areas of well-being including physical performance, sexual vitality, cognition, and cardiovascular health.

- HEALTHY AGING
- MEN'S HEALTH
- CARDIOVASCULAR HEALTH
- PHYSICAL PERFORMANCE

LEARN MORE

Science-Backed Benefits

- Rapidly boosts nitric oxide levels in the body
- Increases vasodilation to promote healthy blood flow
- Increases blood flow to working muscles so they stay fueled to perform at their best
- Promotes nitric oxide to help support cardiovascular function, men's sexual health and vigor, and vitality

How it Works

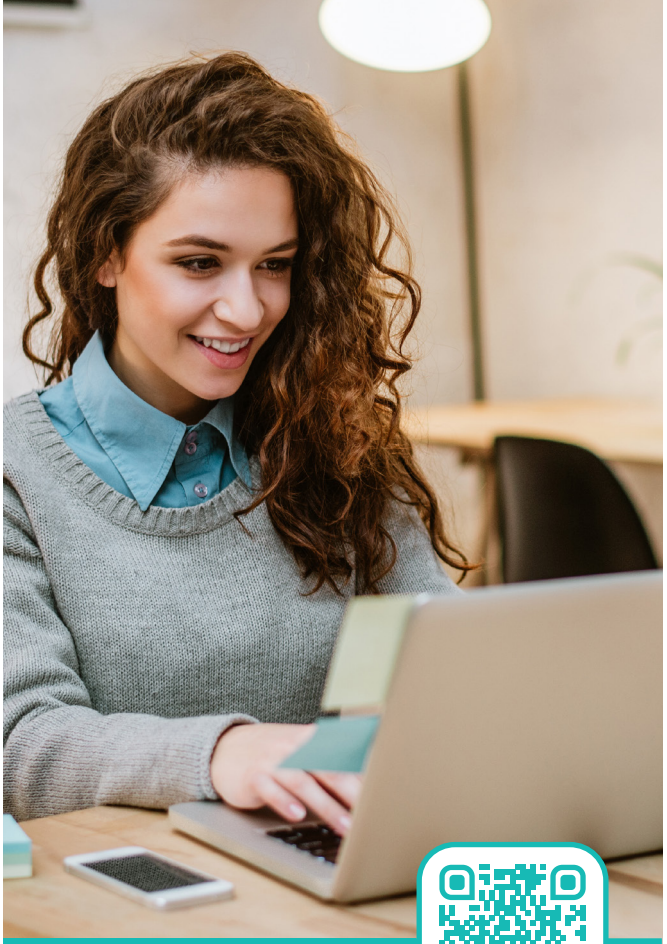

Nitrosigine® delivers a unique bioavailable form of arginine, an important nutrient the body uses to make nitric oxide.

Nitric oxide is responsible for promoting healthy blood flow, benefiting overall well-being.

Application Opportunities

- Tablets
- Capsules
- Powders
- RTD Beverages (Soluble version available)
- Bars and Snacks
- Gummies and Gels

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

LEARN MORE

How it Works

nooLVL®'s combination of bonded arginine silicate and inositol work together to support brain and cognitive performance. This unique form of arginine increases nitric oxide quickly and effectively to provide the delivery of oxygen and nutrients to tissues, including the brain. Inositol is vital for the functioning of neurotransmitters involved in learning and memory.

nooLVL®

Focus You Can Feel

nooLVL® is a patented complex of Bonded Arginine Silicate and Inositol that offers consumers focus they can feel in as little as 15 minutes—without the side effects of stimulants.

COGNITIVE HEALTH

Science-Backed Benefits

- Improves cognitive performance
- Improves focus, concentration, and working memory
- Significantly improves accuracy
- Helps feel energized without the use of stimulants

Application Opportunities

- Tablets
- Capsules
- Powders
- RTD Beverages — Soluble version available
- Bars and Snacks
- Gummies and Gels

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VitaliG™

Vitality at the Cellular Level

VitaliG™ is a first-of-its-kind, highly concentrated, plant-derived geranylgeraniol (GG) ingredient, representing a novel way to approach vitality.

HEALTHY AGING

MEN'S HEALTH

LEARN MORE

How it Works

VitaliG™ supplies key intermediates to the body's mevalonate pathway, a pathway that supports protein prenylation, the process that activates the cell-signaling molecules essential to healthy cellular function and vitality.

Science-Backed Benefits

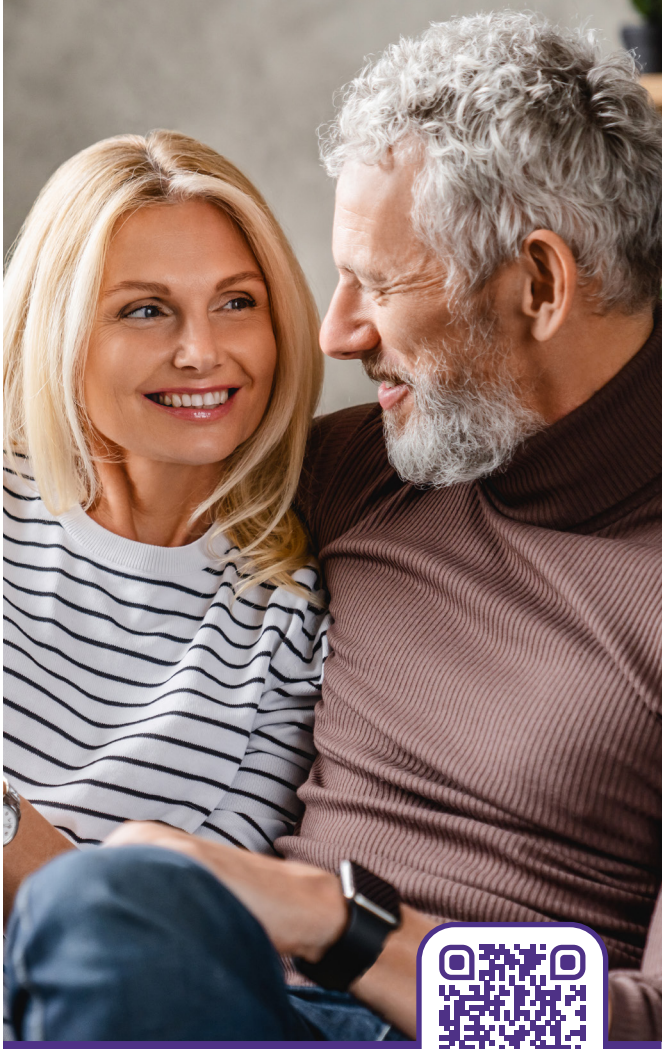

- May Help Support Healthy Cellular Function*
- May Help Support Cellular Signaling and Communication*
- May Help Maintain Healthy Testosterone Levels**

* Based on the known biological functions of geranylgeraniol
** Based on exploratory research findings, including subgroup findings on men with low-normal baseline testosterone levels

Application Opportunities

Tablets | Capsules | Powders | Liquids | Bars | Gummies

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

Zinmax®

Highly Absorbable Zinc Picolinate

Zinmax® is a premium, highly absorbable form of zinc that supports the mineral's vital roles in immune health, cellular function, and overall well-being.

- **IMMUNE HEALTH**
- **VISION**
- **CARDIOVASCULAR HEALTH**
- **BONE & JOINT HEALTH**

LEARN MORE

How it Works

Zinmax® zinc picolinate has been shown to have enhanced absorption compared to other forms of zinc, allowing it to be easily and readily absorbed by the body.

Science-Backed Benefits

- Bioavailable source of zinc, an essential nutrient for overall health
- Easily and readily absorbed by the body
- Essential mineral for physiological functions in the body
- Supports healthy immune function

Application Opportunities

- Tablets
- Capsules
- Powders
- RTD Beverages
- Bars and Snacks
- Gummies and Gels

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

Everwell Health™

INGREDIENTS FOR LIFE

Everwell Health empowers the pursuit of proactive health and optimal performance in every body and across every life stage.

Our science-backed ingredients offer our partners and consumers the assurance of quality and effectiveness, with differentiated health benefits that improve quality of life.
